- i. Suspension of the contractor's license for a fixed period not to exceed ninety (90) days.

- ii. Suspension of the contractor's license for a fixed period exceeding ninety (90) days, provided however, the contractor shall have the right to have the suspension and the terms thereof reconsidered by the Board at the expiration of the first ninety (90) days and every ninety (90) days thereafter to determine if just cause exists to modify or terminate the suspension. Such reconsideration may, at the Board's option, include a hearing.
  - iii. Revocation of the contractor's license for a period not less than twelve (12) months from the date of revocation. A contractor's license shall be revoked if the contractor has been suspended five (5) times during any thirty-six (36) month period.
